EcoTank L3560
Enjoy mobile printing and an ultra-low cost per page with this multifunction inkjet with LCD screen, perfect for modern, busy households

Save up to 90% on printing costs[1] with Epson's cartridge-free EcoTank printers. Supplied with high yield ink bottles, the integrated ink tanks are easy to fill thanks to the specially engineered ink bottles. With no cartridges to replace, flexible connectivity features and an LCD screen, this is the perfect printer for anyone looking for high-quality prints at an incredibly low cost per page.

Say goodbye to cartridges
EcoTank provides hassle-free home printing - the ultra-high capacity ink tanks allow mess-free refills and the key-lock bottles are designed so only the correct colour can be inserted.

Keep on saving
One set of ink bottles delivers up to 4,300 pages in black and 7,500 in colour[3], equivalent of up to 66 cartridges worth of ink![1]

Epson Smart Panel app
This app enables you to control your printer from your smart device[4]. You can print, copy and scan documents and photos, set up, monitor and troubleshoot your printer, and let your creativity flow with a range of artistic templates.

Packed with features
Featuring a 3.7cm colour LCD screen, borderless photo printing (up to 10x15cm) and print speeds of up to 15 pages per minute[5], you can speed through a variety of tasks with ease.

Modern flexibility
Featuring a compact design, Apple AirPrint support and Wi-Fi and Wi-Fi Direct connectivity, you can easily integrate this printer with your existing home set-up and print from mobiles, tablets and laptops[4].

Heat-Free Technology
With PrecisionCore Heat-Free Technology you can enjoy reduced energy consumption and less need for replacement parts. The printhead also comes pre-installed so setting up your printer is hassle-free.

INK BOTTLE YIELD DATA

Black Yield : 4,300 pages *

Composite Yield : 7,500 pages *

* Approx. page yield based on ISO/IEC 24711/24712 or ISO/IEC 29102/29103. Actual yield will vary depending on images printed and usage conditions.

1. Based on Epson calculations, the average cost per page saving and the average number of inkjet cartridges required to print the same number of pages as the Epson EcoTank "101" and "103" ink bottles. Comparison between the average yield (A4 prints of ISO/IEC 24712 test pattern) of EcoTank "101" and "103" bottle series and the genuine consumables (IDC, Hardcopy Peripherals Consumables Tracker, 2021 shipments, published Q1 2022) used within the 10 best-selling consumer A4 inkjet cartridge printers in Czech Republic, Hungary and Poland (IDC, Quarterly Hardcopy Peripherals Tracker, 2021 shipments, published Q1 2022). Cost per page calculated by dividing the relevant bottle/cartridge sales revenue and the total yield by the unit sales.
2. Based on print volume of 100 pages per month and the lowest yield produced
3. from the first set of inks
4. Quoted yields are extrapolated based on Epson original methodology from the
5. print simulation of Test Patterns provided in ISO/IEC 24712 based on the
6. replacement ink bottles. Quoted yields are NOT based on ISO/IEC 24711. Quoted
7. yields may vary depending on the images that you are printing, the paper type that
8. you are using, the frequency of your prints and environmental conditions such as
9. temperature. During the initial printer setup, a certain amount of ink is used to fill
10. the print head's nozzles, therefore the yield of the initial bundled set can be lower.
11. Mobile printing solutions require a wireless and/or an Internet connection to the printer. For a list of Epson Connect enabled printers, compatible devices, apps and ways to connect, visit www.epson.eu/connect
