

A COMPACT, LOW-COST SINGLE-FUNCTION PRINTER FOR BUSINESS EFFICIENCY.

The EcoTank L1250 enables high quality, economical document and photo printing for offices. A high print yield of up to 4,500 pages (black) and 7,500 pages (colour) facilitates non-stop printing. Powered by Heat-Free Technology, the EcoTank L1250 consumes less power as compared to laser printer, thereby saving energy and the environment. Epson's genuine refill ink bottles with designated nozzles ensure spill-free refilling. This compact printer can fit into any space and features wireless connectivity - for printing from smart devices. Download the Epson Smart Panel app on your mobile device and easily manage the printer's functions and setup. This affordable printing solution is what your office needs. Get one today.

Yellow Ink Bottle		C13T00V498
Warranty	1 Year or 30,000 page ^{*6}	

L1250/L1251

Weight: 2.9 kg

^{*1} Print speed (Pages Per Minute) is calculated when printed on A4 plain paper in the fastest mode, 10 x 15 cm photo print speed when printed on Epson Premium Glossy Photo Paper. Print speed may vary depending on system configuration, print mode, document complexity, software, type of paper used and connectivity. Print speed does not include processing time on host computer.

^{*2} When printed on Epson Premium Glossy Photo Paper

^{*3} Default mode in accordance with ISO7779.

^{*4} Quoted yields are based on the ISO 24711/24712 patterns of mixed text and colour graphics with Epson methodology. Quoted yields are based on the replacement ink bottles purchased. For print quality, part of the ink from the included bottles is used for printer startup so yields could be lower than those of replacement ink bottles. Actual yields will vary due to reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink colour. Ink is used for both printing and printhead maintenance. All inks are used for both black and colour printing.
