Get Up to Speed with Great Productivity

EcoTank L6360 wireless 3-in-1 offers revolutionary cartridge-free printing with easy-to-fill supersized ink tanks. It includes up to 2 years of ink in the box[1]. That's an incredible amount of ink — enough to print up to 7,500 pages[2], and equivalent to about 54 ink cartridge sets[3]. L6360 delivers an unbeatable combination of value[1] and convenience. Save up to 80 percent on ink with low-cost replacement bottles[4], and save up to 50 percent on paper with auto 2-sided printing. This fast, user-friendly printer also features a 150-sheet paper capacity, and offers wireless printing from tablets and smartphones[5].

Superb Print Speeds

Speed is key when it comes to meeting the challenges of deadlines and driving up your business performance. Powered by the Micro Piezo™ printhead technology, discover exceptional print speeds of up to 18 ipm for default black and white prints, and 9 ipm for default colour prints. High volume printing has never been this quick and efficient.

Wi-Fi & Ethernet Connectivity

The integrated wireless connectivity on the L6360 allows easy and flexible printing and scanning from your mobile devices. The L6360 provides you with added convenience via Wi-Fi Direct, allowing you to connect up to 4 devices to the printer without a router. The L6360 also comes enabled with Ethernet, ensuring superb connectivity, allowing you to easily share your printer within your work group for better use of resources.

Epson Connect Enabled

Low Costs, High Yield

Don't compromise on cost as you print. With Epson's Ecotank printer, you'll be able to save costs as black ink costs only HK$95 while color ink only costs $50 and each set has an ultra-high yield of 8,500 pages[2] for black or 6,500 pages[2] for color respectively.

With a patented bottle tip design to allow easy and mess-free refills, tubes in the printer are also designed to be of optimum width to ensure smooth and reliable ink flow at all times.

Ease of Use - 2.4" Color LCD Screen

The L6360 incorporates a 2.4" Color LCD screen for easy operation.

Epson Warranty for Peace of Mind

Enjoy Epson's warranty coverage of up to 12 months , for maximum value from your printer. Epson's warranty includes coverage of printhead, which is most important for a printer designed for high volume printing.

One-touch Scan and Copy

Conveniently perform scan and copy functions with a reliably precise sensor. Scans are sharp and clear while draft mode copies are completed in a matter of seconds.

Space-saving Design

The L6360 is designed for small spaces. Its compact footprint means you can fit it comfortably anywhere in your office or home, creating an ergonomic work environment.

Quality that Shines. Value that Lasts.

Epson genuine ink bottles are formulated to deliver outstanding high-volume print quality with EcoTank series printers. Every bottle is individually sealed to ensure the purity of ink and comes with a smart tip designed for mess-free refills. Choose Epson genuine ink bottles to enjoy lasting quality with your EcoTank series printer and low printing costs.
