

SMART, ECONOMICAL PRINTING FOR EVERYDAY USE

The EcoTank L3360 all-in-one printer is designed to deliver convenient, high-quality printing for homes and small offices. Enjoy low printing costs of just 9 paise (black)* and 33 paise (colour)* per page, along with ultra-high page yields of up to 4,700[^] pages (black) and 7,500[^] pages (colour). The integrated ink tank system enables easy, spill-free refilling for a hassle-free printing experience. The upgraded replaceable maintenance box helps minimise printer downtime and simplifies maintenance, while Epson Heat-Free Technology ensures reliable performance with lower power consumption.

Print Speed (Black)[^]

Ultra-High Page Yield (Colour)[^]

Borderless Printing up to 4R

Wi-Fi Direct

Epson Connect

Epson Smart Panel

LCD Display

MICRO PIEZO HEAT-FREE

Easy Maintenance

Upgraded with a user-replaceable maintenance box to help reduce downtime and keep printing running smoothly.

Wireless Connectivity

Print seamlessly from smartphones, tablets and laptops with Wi-Fi, Wi-Fi Direct and Epson Smart Panel support.

Compact & Convenient

A sleek, space-saving all-in-one printer designed to fit comfortably into homes and small workspaces.

Magenta Ink Bottle		C13T00V398
Yellow Ink Bottle		C13T00V498
User Replaceable Maintenance Box	yes	C12C939901
Warranty	1 year onsite warranty or 30,000 pages*5	

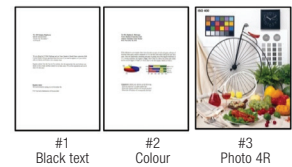

*1-year warranty or 50,000 pages, whichever comes first, printhead included. ^Under standard test conditions.

Dimensions & Weight

EcoTank L3360
Weight: 4.2 kg

*1 Print speed (Pages Per Minute) is calculated when printed on A4 plain paper in the fastest mode, 10 x 15 cm photo print speed when printed on Epson Premium Glossy Photo Paper. Print speed may vary depending on system configuration, print mode, document complexity, software, type of paper used and connectivity. Print speed does not include processing time on host computer.

*2 When printed on Epson Premium Glossy Photo Paper.

*4 Default mode in accordance with ISO7779 for MFPs.

*5 Quoted yields are based on the ISO 24711/24712 patterns of mixed text and colour graphics with Epson methodology. Quoted yields are based on the replacement ink bottles purchased. For print quality, part of the ink from the included bottles is used for printer startup so yields could be lower than those of replacement ink bottles. Actual yields will vary due to reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink colour. Ink is used for both printing and printhead maintenance. All inks are used for both black and colour printing.
